

[APPROVED] MSL Philippines Network Awards

Empowering Campus Champions, Building the Future of Esports

Rationale

The **MSL Network Awards** is an annual recognition program that honors the excellence, leadership, and impact of student organizations and individuals within the Moonton Student Leaders Philippines Network. It highlights the achievements of campus leaders and organizations that have advanced esports development, promoted student engagement, and fostered community growth through creativity and collaboration.

This program celebrates how esports can become a powerful platform for education, inclusivity, and empowerment. Through the MSL Network Awards, Moonton recognizes the dedication of young leaders who continue to shape the future of campus esports and embody the spirit of #PamantasangLakas by turning their passion for gaming into a force for positive change.

Objectives

- To recognize and honor outstanding student organizations and leaders who have demonstrated excellence in organizing and promoting **Mobile Legends: Bang Bang (MLBB)** campus events.
- To highlight impactful programs and initiatives that use **MLBB** as a platform for education, collaboration, and community building within the MSL Network.
- To inspire other student leaders to develop innovative and inclusive **MLBB** activities that strengthen campus engagement and esports development.
- To celebrate the achievements of MSL chapters that embody the values of leadership, teamwork, and sportsmanship through their contributions to the **MLBB** community.
